Introduction

When we live our lives according to lies, we see the destruction of those lies in our lives. When we live according to truth...

Truth #1 Everything Belongs to God. Psalms 42.1

- When we understand His ownership we give more freely.
- When we have a kingdom mindset our perspective changes.
- When it all belongs to God, it more easily flows to us!

Givers don't prosper because God is giving them a return on investment, givers prosper because only they can be trusted with more.

Truth #2 Everything was Created for Him. Revelations 5.11

- This truth helps you understand your own birth.
- This truth helps you take on a kingdom mindset - All things are working together for good! Romans 8:28
- You see that it began for His pleasure and glory and will end the same way!

Truth #3 Everything Should Give Him Glory. Psalms 148

- This truth helps you to understand all of creation.
- The kingdom mindset is "I have to review everything that IS happening in my life and ask if God is receiving positive attention from what I'm thinking, saying or doing?"
- The culmination of the ages is to God be the glory!
